>> Hi Gregory...I think you may need to go check out each guest apartment (8A, 10B, 11B, 11P, 11J) and make a list of anything you think we need over there as we wait for the new furniture...I am told 11B needs 2 lampshades, a dresser and a mirror... I know the apartments are all getting new furniture in 2, 3, 4 months? But in the interim, the apartments should have the basics. Anthony says we are missing items because back when 8A went under construction (about 2 years ago) items from 8A were thrown away....so we may not have enough apartment items to go around.

>> Anthony says he has some things in the basement you can have a look at and perhaps we can borrow them as we wait...you can make an appointment with Anthony after you accumulate your list of what is needed. The apartments don't need to be fantastic right now, but they need to be acceptable.

>> I know you are leaving for holiday Dec. 6...so If you can't do prior to leaving, please put on list for when you first come back.

>> Thanks, [REDACTED]
