As you may know, we are trying to add a small addition to our home (details are in the attachment).

On December 9,2014 The Landmarks Preservation Commission will hear our request. It is is very important that they see the support of the residents (live or work) of the Upper East Side Historical District. We are asking our friends, if they can help us get this project over the threshold.

WE ARE DEEPLY APPRECIATIVE FOR TAKING TIME TO HELP US

If possible,it would be great if you could speak (Talking Points are attached to this email) at the public comment section of the hearing.

Please let me know by email if that is possible and I will arrange transportation to and from the hearing I will know the exact time of our matter ,closer to the hearing date.

In the event you can not speak, please write a letter to the Landmark Preservation Commission in support of our addition (Sample Letter as a Word document is attached to this email for your convenience) Please email me a copy of your letter so I can further demonstrate the support we have received

The letter should be sent to:

Jenny Fernandez,
