I wanted to let you know that we received notification of payment! I have one quick question though -- the payment is just under the total of the invoice for \$1,195.65. Do you know if there was an item on the invoice that wasn't covered or was that just a mistake? Wanted to check so I can make sure my reporting is correct.

Thanks!

Sarah

Perfect! Thank you -- it is attached! Could you forward it on to the appropriate people?

Hi Sarah...I will need to find out! Can you send the attachment another way? I can't open winmail docs...you can just copy and paste in an email to me if you like!

Thanks, [REDACTED]

Larry has a couple of expenses from flying to NY last month for the dinner on the 8th. What is the best company name for me to put down on an invoice? Larry mentioned it was okay to send to Jeffrey. Thanks for letting us know!
