Jeffrey,

It was so amazing to see you this morning! I was also very excited that you liked that ginger chocolates... ;)

I'm so sorry to bother you with my silly and insignificant problems, such as my hair!!.. anyway, I think you are right about it and I agree with you, no matter how PAINFUL it is to make this radical decision of cutting them off....

Could we ask Patrick to take care of it? I'm panically afraid of having my hair ruined by some random hairdresser that I don't really know, while your hairdresser I think is the only one to whom I could really entrust my hair.. last time I cut them short in Lithuania several years ago, I hated it and said I would never do that again!! however, if someone cuts them really professionally, I might even start liking the way it looks...

Sorry again for bother!!!!
