Great!! Thank you [REDACTED]!! We would like to pay a location fee - I have \$2000 budgeted for the actor coming out of the door. Is that something I can coordinate with you?

Dear [REDACTED],

Thank you so much for calling Mimi and allowing me to send you more information about our show. The new NBC series we are scouting for is called ODYSSEY, it is a "Traffic"-like action drama, an international conspiracy explodes when three strangers' lives unexpectedly collide - a female soldier, a corporate lawyer and a political activist.

After a team of American soldiers battle jihadists in North Africa, they're shocked to find that one of the men they killed is Al Qaeda's top man. Sergeant Odelle Ballard (played by Anna Friel) - a soldier, mother, wife and the unit's only female member - discovers computer files

that suggest a major U.S. corporation is funding the jihadists. But before she can tell anyone, her team is attacked and left for dead. News is reported that the unit was wiped out, but the truth is that Odelle survived and is the only witness to her unit's assassination by U.S. Special Forces.

In New York, former U.S. Attorney Peter Decker (played by Peter Facinelli) is working on a merger deal for the same company that was funneling money to the jihadists. And meanwhile, Harrison Walters (played by Jake Robinson), a political activist and trust fund kid, meets a hacker who claims to have unearthed a massive military-industrial conspiracy. And he's right: he's stumbled onto the cover-up that began with Odelle and will soon be out in the open... and everyone's lives will be in danger. The only way they'll ever save their country, their families and themselves is by joining forces and exposing the people behind it.

From director Peter Horton ("Grey's Anatomy") comes a complex journey through global politics, military secrets and three strangers who only have one thing in common... the truth.

STARRING: Treat Williams, Jim True-Frost, Peter Facinelli, Adewale Akinnuoye-Agbaje, Anna Friel

THE SCENE: We would need approximately 2 hours of filming. Our actor, playing an influential politician, leaves the building -- that we would play as a high end men's club -- and has a conversation with two actors on the street. We would not require any equipment or crew to be inside -- only the actor leaving the building.

DATE: Thursday, November 19th

TIMES: TBD - 2 hours of filming, most likely in the morning

We are working with the cooperation of the New York City Mayor's Office for Film, Theater, and Broadcasting (██████████). We will obtain all necessary permits and we are fully insured for all of our filming activities.

Thank you in advance for your time and please do not hesitate to call with any questions you may have.

Best,
Amanda
