Hi Jennie and thank you for getting back to me...Unfortunately, [REDACTED] is leaving NY on Tuesday, so Wed. will not work for her. Jeffrey would like to keep the 12:30 appointment for [REDACTED] on Monday but requests this appointment only be an EVALUATION of the small black dot on [REDACTED] nose. Jeffrey asks that during this evaluation, [REDACTED] and the Skinovator call him to give him the anaylsis. All sound ok?

Thank you, [REDACTED]

Hello Dangene and Jennie...Jeffrey understands Dangene is no longer doing treatments, but he is asking if it is possible for her to just take a look at [REDACTED] on Monday when she comes in .. [REDACTED] doesn't need a facial, she needs only a small laser for a spot on her nose...but I think Jeffrey really wants Dangene to have a look first.

Is this possible? At the moment, [REDACTED] is scheduled for a facial at 12:30...but we don't need this facial appt...we need a laser appt...Can we make this happen? I have spoke to Nicole and another one of your receptionists a few times today...

Thanks so much,
