---

Please see below from James Meisken and advise:

Hi [REDACTED], Any word on when Jeffrey may have a brief window of time to meet with David Carter and myself, this week or next? David will also be meeting with the President of UBS when he is in NY, but is holding off on setting up that meeting until he gets a time from Jeffrey, so he can coordinate properly both meetings, and also make sure to see JE who he is excited to meet. Best, J
