I wonder if we can put an air bed in our room? we can bring it with a helicopter with us.. if they allow that - we could get a bigger room (superior i think). If not, i look for another solution. thank you

Below from the hotel! I guess they have no more extra beds to move into a room , but yet they have a few extra rooms still available...what to do? Sleeping on the floor is not comfy...

Dear [REDACTED]

Yes, that is right but no more beds available for this period to do a triple room.

Tania
