Good morning Laura...Jeffrey would like me to contact your exercise equipment people...I cannot find the email you sent to me and wonder if you sent from a different email address? Might you be able to forward the email to me again? or give me the information again? So sorry to bother you about this...Do you know what in particular Jeffrey was wanting? He only asked me to contact them..

Any info you can pass along would be very helpful!

Thank you,

[REDACTED]
Assistant to Jeffrey Epstein
