Dear Jeffrey,

The day after Take Home a Nude, I left for a week in Europe, so I'm a little delayed in writing to friends who attended. Thank you for being there. It was one of our best events to date — we raised \$900,000 — and your participation was an important part of the night's success.

It's always more fun for me when our long-time Academy supporters are in the room. I hope you enjoyed it.

Warmly,

David
