Hi Bob...i am going to order this tile. I want to make sure you have Michael on the same page..he is coming to do a repair job in the master bath and guest bath at no charge...right? He knows this will take 2/3 days to complete (from what I am told due to drying time) He will come with all the other materials needed...actually I see the drain extensions are not on this invoice, I will order those also..but he will bring whatever else is needed...the grout, etc. Also, I want to make sure that he can come on consecutive days so this is not a long and drawn out project...ok? bummed out we have to do this in the first place...everything looks so nice... :(

Hi [REDACTED]

Attached is the estimate you have requested. If you would like to move forward, I will need to take payment in full. Let me know if you have any questions. All of the material is in-stock so it will take about one week to receive everything.

Thanks,
Vicki
