[REDACTED] wedding & party were WONDERFUL! Really a L.O.V.E.L.Y event!

I have NEVER seen [REDACTED] SOOOooooo happy – he was having ‘the time of his life!’ It’s was precious to watch him enjoy the whole event so very much. But .....

Three times he came over to me to ‘lament’, “I wish [REDACTED] and [REDACTED] were here!” He genuinely missed you being there !!!! It’s like EVERYONE important to him was there – EXCEPT you two!

Can you reach out to him (and [REDACTED] and help share in the ‘GLOW’ of [REDACTED]s big day !?!?

That’s it – just a ‘long-distance’ HUG for [REDACTED]. Love mom
