It was fantastic! Everything went perfectly and the party was great. All appeared to have a great time and [REDACTED] asked if we could make the party go longer. [REDACTED] was able to add 15 minutes, but we had to be out of there at a certain time so they could start setting up the next party for tomorrow. As it turned out, [REDACTED] and I finally got in bed at 2:30.

[REDACTED] has a couple of photos on Facebook, but more, lots more, should be coming.

Love y'all and sorry you missed it!
