Good morning...Jeffrey was asking if Larry will be able to stay with him tonight in his guest room?! He also says, [REDACTED] can have breakfast with him tomorrow, Thursday...last night Jeffrey had mentioned Friday, but Jeffrey has a breakfast Fri. morning and is not even sure [REDACTED] will still be in NY on Friday...

Please let me know if [REDACTED] would like to take up Jeffrey on his offer...if not, we can certainly provide [REDACTED] to take [REDACTED] to his hotel.

Thank you,
[REDACTED]
