Hi Steve...wanted you to see the reply from Benoit ...I sent him a detailed email re what Jeffrey is looking for and answered some of the questions I saw he had posed to you...I requested he send us a few candidates with the names/details blocked out...but I guess he does not want to go down that road...did he ever send you the contract and retainer agreement for you to look over?

Dear [REDACTED]:

I understand your and Jeffrey Epstein's concern about us being able to present the right caliber of candidate before making a financial commitment.

Unfortunately, we have already been vetted by Steve Hanson and do not feel the need to further delay the search.

If you are willing to take a very limited risk, we are on. In which case I will have to send you a search agreement to sign and a retainer invoice to pay.

Very best regards,
