Dear [REDACTED],

I will be back to Paris on October 3rd, so I will take an appointment with my dentist and see how could it be done (you imagine, I haven't thought of this for ages now). I will let you know.  
Unless it is easier for you to get it done here in the USA then we could figure something out during my next visit ([REDACTED] back late November/December).

In anyway, please thank Jeffrey on my behalf and send him my best thoughts, [REDACTED] leaving to Amsterdam today.

We keep in touch,

Simon

Simon, Jeffrey thinks you should have you front teeth fixed! and he will pay for it all! Simply forward the bills to Bella in our accounting department (she is [REDACTED] here) or once you make your appt, she could call your denist with a credit card...what ever is easiest... thanks, [REDACTED]

Absolutely!! I don't even notice it anymore and people around me this of it as a sign of "identity" (like a scar on the cheek or whatever ....).

But if he thinks it should be better fixed for my image and career, then... who knows!

Please thank him deeply on my behalf!

Hi [REDACTED],

I just had a phone conversation with Lynne Meloccaro regarding the managers' list you sent me last week. She's trying to figure out which ones are the best to contact. As usual, one always needs a very good and strong introduction in order to get them interested.

She might write to Jeffrey about that also. I just wanted to give you the feedback.

Could you please thank Jeffrey and send him my best thoughts? I don't think I have his direct email.

I also hope I will get to meet you one day, on my next trip to New York maybe!

All best,

Simon

Hello Simon...Jeffrey requested I give you the below contacts...the information comes from Lynne Meloccaro from the American Symphony who passed this on to Leon Botstein who is good friends with Jeffrey! (just wanted you to know the stream here!)

Hope you are well!

Hi Leon,

You asked for my recommendation of some managers to whom Simon could speak. Here are some who might be of interest to him. It is really hard to get good representation these days—unlike the old days when managers nurtured talent, now they are only interested in stealing established stars from one another. This list include mostly veterans in NY and Europe who might be willing to talk with Simon and point him in a helpful direction. The last two are younger managers who may be hungrier than the older curmudgeons.
