Dear Mr. Jeffrey Epstein

Please join film producer Quincy Jones for his premiere with co-hosts Robert DeNiro and Jane Rosenthal.

Come on Tuesday, September 23rd at 7pm to the Tribeca Grand Hotel to see Quincy's documentary KEEP ON KEEPIN' ON about the mentorship of 89 year old jazz legend Clark Terry and 23 year old piano prodigy Justin Kaulflin.

Clark has played alongside Duke Ellington and Count Basie; his pupils include Miles Davis and Quincy Jones, but his most unlikely friendship is with Justin who prepares for a competition that could jumpstart his budding career.

Beautifully nostalgic with a reverence for the importance of finding your own sound, Keep On Keepin' On celebrates an iconic musician while introducing one of equal vibrancy. It is a mentoring tale as inspirational as its subjects.

We look forward to seeing you next week.

xoxo

Peggy
