Subject: Jeffrey Epstein - Server

Hello Claire...just left you a voicemail and wanted to follow up with an email...I know Steve has given you a lot of the background for what Jeffrey is looking for! A talented, professional server who can also pass along these qualities to Jeffrey's other staff...Jeffrey is willing to give the perfect candidate an apartment (where they would live alone) and a salary of \$25,000 for a year.

Might you be able to send along to me more candidates?

Thank you,
Lesley
