Dear Lesley,

I need your advice! could you please tell me if Jeffrey wears red color? I 've design a very nice jumper for him with his initials..

And I thought of red soft fabric of jumper. I see him with that colour, but i am so afraid to make a mistake, thats why i am calling you! I am sure you know the best!

I also have a small gift to you! very Lithuanian:) Would be wonderful if I could hand on straight to you while i am in NYC !!!

With my best wishes!
