Oh bobby! this is just a horrendous email...I didn't answer earlier because I couldn't believe it...I will not mention to Jeffrey if you don't want me to ...I know you always try to keep your game face on...but I am truly sorry to hear this news...how incredibly sad especially because it sounds like the band is doing really well and on the verge of greatness...this girl should be a part of that...

I hope you get to see your daughter and give her a hug.

Her father found her over the weekend. Please give JE a heads up that I might not be quite a barrel of laughs tomorrow night.
