Subject: po box

when i went to pick up mail today i found out that PO Box had been closed. they put invoice in pox on 7/31/2014 and it had a 14 day grace period which was missed... i asked if i could have mail and i was told it was all sent back to senders. i no longer believe we have use for this box as we are now comfortable at 575 lex. if you all agree then please call any vendors that may be using po box and give them 575 lex address.
thanks
