Hello Lauren. Jeffrey requested I touch base with you to get the specifics of tomorrows meeting with Bill! Might you be able to pass along the details to me? Also, Jeffrey ran in to Paul Allen the other day and Paul had mentioned to Jeffrey he must go by to see his "mouse/brain project"...Jeffrey would very much like to take Paul up on this but has no contact information for him...Might you be able to provide? Jeffrey is hoping he could go after his meeting with Bill tomorrow...

Thanks!

Lesley
