ok, good...cause I realized I have plans on the 17th already!
and then yes, I saw it is Cass's bday.

I need to talk to ike about the following week. will need to circle back to you.

and yes, Ike prefers to drink many beers and if not many, than none. I like one glass of wine (I'm sure one big glass) but for me it is great.

Hi there -- well, I did have my one glass and was done also. At least I'm glad I know I can easily stop at one. Does Ike not have a beer when just at home? I think I heard him mention before that if he wasn't having a beer to catch a buzz, then what was the point. . . or something like that.

Wednesdays are not the best day for me, as it is the ONE day of the week I am supposed to pick up Cass from theater. Tuesday or TH is better (and obviously, TH preferred). HOWEVER, that being said, lets wait until the following week -- TH is Cassidy's birthday. :)

I want a glad of wine every night too. I'm Already looking forward to it. Ike is out. I'm sure if he was coming home I probably wouldn't have one but I don't know. I may anyway. I like to get dinner ready and have one. Then that is enough.

So exciting to be planning a trip for sure and lock in dinner reservations. Fun fun. Just be wise about it. Cut corners where you can .. It mad rem start talking to Ike about if we will maybe do something. Ike's parents have bought that house in Sarasota. We are thinking of visiting them then driving to Miami for a few days. We

will see airfare was not as bad as I thought it would be during spring break. But we really need to watch our money also. Scares me building this house. I know our expenses even once we move in are going to escalate in a big way.

I think you have mentioned Bill Kennedy before. I'm glad you like your job so much :)

I can do dinner next week. Let me look tomorrow at calendar and see what Ike is up to also. Prob wed would be good though

Hi Les -- I do want to schedule a dinner together. . . maybe next week or the week after. I'm going out on TH night w the Investment & Research Team. Bill Kennedy is the CIO and he invited us all out to dinner to celebrate a great 2012. So nice. :) **Bill lives in New Canaan and said he saw you on Sat. at your new property -- so funny! We have def talked about your new location and he is having fun watching the progress he said :)

I can't stand how I want a glass of wine every night now. . . it was SO much while mom and randy were here and I was looking forward to 'drying out' --but all I want is to have it. . . just one glass suits me, but my stomach is def. extended. Of course, we got a last minute invitation to go to The Witz's house on Sat. night -- so we did. So much fun -- I ATE like there was no tomorrow. . . ridiculous!

I booked our hotel in FL -- I'm getting excited! I have made dinner reservations for every night also. I hope it is good weather!
