ha!! I texted you one night asking if you could come to our party and you never answered back...it was one night we were out with this guy and I was showing him pics...he is for sure enamored!

His name is Brian Feeny and he was a wall street guy, but now trades his own pad...I think he has made a lot of money and prefers to work for himself only. He has a great personality, is fit, funny and a really good conversationalist. Ike and I always have fun whenever we run in to him. He is also fantastic with kids. He had us over to his bachelor pad house in Darien (town next to ours) for a pizza party he was having...he decked out his patio with a pizza oven and fireplace...really cool. [REDACTED] came and played with his dog, his simulated golf game in the garage, remote control car, pool table, dart board etc...but the best time for [REDACTED] was playing around with Brian! [REDACTED] said it was the best adult party he had ever been to. Brian let [REDACTED] help make pizza's, choose the music to play (and played air guitar) And to boot, I think Brian is attractive. He was married once...if you followed any of the big scandal with Raj Rajaratnam founder of Galleon and insider trading debacle...it was his ex wife that was all involved in this! Danielle Chiesi (<http://tommytoy.typepad.com/tommy-toy-pbt-consultin/2011/05/danielle-chiesi-the-woman-who-sank-raj-rajaratnam-founder-of-the-galleon-group-for-insider-trading-a.html>) Pretty crazy actually. They had no kids and he has not been married since.

We are doing great. Had a very nice visit with mom and randy...our NYE party was lots of fun...now I feel like I need to rachet down all the drinking and eating (well, at least the eating) All my pants feel tight! We had a really terrific xmas too. [REDACTED] was totally "IN" to Santa this year and was so excited and precious. He woke up at 3am and could not sleep! He talked my ear off until 5am...it was really cute and I didn't want to squelch the enthusiasm but by 5:15 I was like here is the clock and no more talking till it says 7am! He finally fell asleep and woke up promptly at 7!

I'm sorry you guys were sick on holiday! That stinks...just makes things not nearly as much fun. Sounds like you ended with a bang however! no pun intended :) ...and you got LDP to do Yoga! nice :)

glad to hear you worked thru some stuff regarding your relationship too...it's always way better to get things out on the table and discuss them than to pretend they don't exist.

I do have a guy here who would love to meet you! ;) A really nice guy that frequents the restaurants we go to...i like him a lot...BUT, don't get me wrong, I really like LDP.. you know I'm always thinking of you though!

love, Les

Back at the grind indeed, but our sales team is doing an Anthony Robbins sales seminar DVD set every morning to help us set goals and motivate, etc so it's a great way to start the day. I like it.

Wendy's first marriage is a mystery to me, but she says it was joyful and loving... I don't know. Sounds awful?!? Yes- you did do that with Rob. He was a train wreck, but he wooed you sooo well, and it was masterful, like you had no choice really, such a fairy tale presentation with a bad prince lol. Ike is mucho better. ☺

I like our NY texts (all of them really) too. LDP and I had a great trip to Maui but we were both really sick for part of it and still fighting bad colds. We worked thru some tough stuff about our relationship. Interesting. We don't fight, but we sometimes come at things from such different perspectives. He did his first yoga class with me in Hawaii and went back to the hotel and had kickin sex after. Great last day lol.

How are you guys?

Yes, i know your relationship...just wanted you to see really. I know Wendy is keeping it small...I hope it is the right thing for her...she was involved in one very sad and unhappy marriage with a bizarre ending...I don't want her to go through another tough situation. I am always a bit skeptical of the long distance thing so quickly moving to marriage. Feel like I did that myself in fact! I still wonder if he has locked down a job!??

How was your trip!?!?? I loved my New Years text! I had such a hard time texting you back while under the influence!! We had a very nice night though...hope you did too. Are you back to the daily grind?

xo, Les

I didn't see it. As you know, Wendy and I are definitely friends, but we aren't close friends or anything. I wish her all the best- I talked to Jamie, a mutual friend, and word on the street is that no one supports this wedding or the relationship with Kasey. That makes me sad. ☹

Are you coming down for it? Is Ash?
