I love this. I would say two things. I like read read read but something like work hard in everything you do. Being a good friend, good son, good athlete, and a scholar. You will see great rewards throughout your life from this work. I know it will not always be easy and some times you will want to quit. When you want to quit think of me and it will help you get through it.

How do I get to see him read this?
