Subject: I don't see what you need in the box

Date: Thu, 30 May 2013 14:13:37 +0000

Sorry Darren, I was on the other line investigating flights to Paris...I looked in the box and it appears to me someone has been in there before and taken things out.... I don't see a redweld titled Purchase of Island Global/AYH ownership...Harry is looking through all the loose papers now to see what he can find.
