ah, they have animals there that need to be tended to...it is basically a caretaker job...making sure the house is in running order....and when JE comes they take care of all his needs...thing is, he doesn't go out there much!

I think on JE's island there is always a lot of work going on. Upkeep of the island itself is big and they have a staff of at least 15 regular workers that come to the island. I don't know what Jeffrey does all day I know he works out
