Below from Liz Hobson:

What great news!

It's the same size as the one he already purchased (48 x 36 inches) and is priced the same. I believe the artist had it listed at \$15,000 but offered it to Jeffrey for \$10,000.

Let me know how he'd prefer to pay for it (check or credit card). I can do a cc today if that is easiest!

Janusz has picked up the painting you purchased and brought back to the house. Liz Hobson was asking if you might be interested in the artists sister piece to the art you bought.
