Hello Delta team,
Appears we will use the Boeing 727 for our Russia/Belarus trip.
[REDACTED] JEGE Inc.
,my NY office is working Visas for crew and pax.,
Dates are still estimate, but here is what I know so far.,
Depart EWR Aug 20th to Paris.,
Depart Paris Aug 21st to Belarus.,estimate .,
I have a Belarus citizen Karyna Shuliak (I think you have EAPIS for her) ?
She does not have a French visa, is it possible to arrive in LFPB with this passenger and
arrange for a transient waver Visa ? Once we land in LFPB she is transported via car to
Charles DeGalle airport and she airlines to Belarus?

This is all I have at this time, can you ask your regulatory dept if she can arrive in France
on the Boeing the she is shuttled to Charles DeGalle to airline out ?

Thank you
Chief Pilot
