Ah, totally understand about dates and everyone wanting the same dates off...I'm glad I'm at the top of the food chain when it comes to that now! I wasn't for a long time! But I've been with JE for 13 years now! I really don't know about a New Years Eve party...this year I was wiped out come NYE...I remember wishing we weren't having a party...but then it was fun...Not sure Smash...I guess you could take the day and then if we don't you can give it back? Better to have the day than not to?

Yes, could y'all come over on the 28th? we may very well have baseball this day at some point...[REDACTED] is now on the travel team...

We are packing with the movers on July 2 and moving July 3...I am having our home gym and new sofa delivered on July 1...get that out of the way first. We are having the house cleaned this Monday June 16...will be so nice to finally see the floors and the finished look! Blinds and [REDACTED]'s curtains will be installed on June 17..then we leave for TX June 18...

Yes, was soooo very happy with JE! I have felt so happy these last few days!! I think he realizes how good I really am cause the other girls around him are driving him crazy..they are not on top of things like me... apparently he tells them all the time: how come Lesley, with a kid, a husband, who commutes 3 hours a day to work AND she is building a house is more organized and can get things done ...i will tell you more when i see you!

:) Les

ok - finally. . . . How GREAT about your raise and public praise!! That's fantastic! Was there any specific 'occurrence' / event that sparked that in him?

I totally agree about not feeling more stress than you need to re: the move (ie waiting another week after you get back) So the movers will be to your house on what day?

The 28th is the date you mean, correct? about coming over. . . . I do understand about nostalgia -- but you will be so happy once you get into the new house!

I was trying to plan my days off before anyone else takes them! it is competitive around here with dates! (ie that is why I inquired about the new years eve party)

OMG [REDACTED] is So over school! If it weren't for the snow days he would be out. His last day is wed June 18. He gets dropped off by bus at 12:50 then car picks us up at 1:15 to go to airport for tx.

Yes super busy with everything. No we did not resolve the renter thing. They backed out completely. Had their lawyer send us an email saying they will no longer rent our house and stopped payment on their deposit check that I had already deposited in our bank. I think it only means there is a better deal out their for us! Bright side ;) It will be more money and longer rental! That is what we want and that is what we will get. Thank you!!! We passed our inspection today which is great! We need our CO now. We have green grass fuzz already growing! We have some sort of problem with water we think and possible leak though cause yard is mushy in one place. If you walk, you sink 5". Gotta figure it out.

Work is awesome! Busy but I got huge praise and a raise from Jeffrey! Soooo very happy. He brought all the girls in and had me talk to then about how I so what I do. Really made me feel good. :)

We are not moving now until July 2/3. I wanted to spend one more weekend in our house when we get back from tx. I'm actually feeling quite sad and nostalgic about moving. I want to not rush when we get back and since we don't have to be out for renters I convinced [REDACTED] to let us stay. Y'all should come over that weekend if possible. You should see new house too!

Happy for [REDACTED]! That is awesome she gets to travel for lax. GREAT experience for her.

Don't worry about missing [REDACTED]'s bday. ;) How's [REDACTED] and [REDACTED]? And you!? How's the bank?

I need to give [REDACTED] a date in sept for party darn it! And I am not sure about a New Year's Eve party why did you ask? And I think party in sept will not be huge. We may have a few smaller parties. I think giant ones are difficult to talk to pp and your house is a wreck aftetwards.

Hi!

I know you have been super busy. . . with what? I mean i know house stuff, including the renter you guys have secured who got pissed off by your realtor. Did that get all straightened out? I tOTALLY missed [REDACTED]'s b-day -- I just saw it on my calendar last night and feel terrible! I just posted it on my outlook until 2023! I won't forget now. . . oops!

What else?

■■■■ is going on an overnight LAX trip this weekend and is very excited. It will be her first. She went on a bus LAX trip last weekend (drop off at 5:30 am, pick up at 10 pm). She loved it! It is a really good group -- Revolution Lax it is the year round team she is on.

They both can't wait for school to get out. When is ■■■■ out? obviously before June 26 (which is when they are out).

write when you can catch me up!
