He has no plans to travel abroad currently. Letter will need to be written differently then. The website gives a sample letter. Have a look

I found the letter. Does Jeffrey have any trips scheduled in the near future? Because that's what we used as the reason last time. That he was abroad with his passport, and needed an urgent visa for a future trip to be placed in another passport. I'll check the site and see what we need.

The website also has a sample letter. It has all info you need. Passport photos are in the 2 drawer cabinet next to my desk in an envelope. I think it is a huge "Jeffrey passport" file and you just need to sift through. I believe Jeffrey must surrender his current passport to send in to request the 2nd passport. (?) we will need checks (Bella)

JE would like to apply for a 2nd passport again. I have looked on the website "RushMYPassport.com". We will need to fill out a DS-82 form (which is normally used to apply for a passport renewal), a passport photo (which I have) and a letter of explanation. Polina, Jeffrey had a 2nd passport once before and I see a file in Darren's File Cabinet #2 in the JE misc file (drawer 3). You may find a previous letter that Darren has written for this and Darren could simply review the letter, make changes and you could type up(?) The website looks to be quite helpful.
