Can I stop by and get a check at 4 instead of putting it in the mail?

If the code is still the same, then Angel can still go at 12:00, correct?
If you can't leave a check for Angel at the house, you can put it in the mail.

Let me know.

Angel will arrive at approximately 12:00. Does that work for your schedule?

Hi [REDACTED],

That's fine, we will store it here. Angel is coming today to finish up the caulking. If you could please give him a check, I would be appreciate it.

There is a balance due on invoice 1106 of \$250 (all work has been completed on this invoice)

There is balance due on invoice 1192 of \$675 (work will be completed today)

Total \$925
