the 8th is a Sunday so the estimate is going to change a little bit. Our weekend rates (Friday-Sunday) are \$135 per hour.

Did you still need packing as well? Packing would be done the day before the move.

okay perfect. I can put you down for the 9th for now and if you need to change the date at all just give a call and let us know. If you need a COI (certificate of insurance) i just need from the building a sample copy so we know what info needs to go on it.
