HI [REDACTED]...can you please look for the folder titled:

"Lock Information for 11B (also how to Hard Reset Lock)"

This folder is in File Cabinet 2, Drawer 3 in the Redweld Titled: JE MISC. 2012. The folder should be in the middle of the Redweld.

[REDACTED], [REDACTED], needs to reset her lock. Once you find this folder, can you give us the model number of the lock so we can find the instructions on how to reset the lock on line...

Thanks, [REDACTED]
