I am available. Paul came to last meeting. As of today, I do not believe we need him to join but we wanted Justin Nelson "to come by" for this one. Now that we have date and time set, I will reach out and check his availability.

Subject: Meeting Afternoon of May 8th/Jeffrey Epstein

Good morning all! Jeffrey would like to have the 'All Hands On' Meeting this Thursday May 8th in the afternoon. Alan is available (his afternoon meeting on 8th was cancelled) and Larry, you are to be available in the afternoon as well...Would 3pm be a good start time? Meeting will be at Jeffrey's home. Is there anyone else that needs to come to this meeting? Paul Morris?

Thank you,
Lesley
