Sure...change him to 3pm if y'all need 30 minutes alone before he gets there...this has all been very confusing today! I told Paul 2pm , then changed it to 2:30...just tell Paul you would like 30 min. with JE before he arrives...then he doesn't waste his time sitting in the office at Jeffrey's...

Confirmed but, as requested, I invited Paul Morris to stop by. Thinking we were to start at 2pm I asked him to come at 2:30. Should I change this?
