Below from Dr. Fallahpour re [REDACTED] e. let me know if I should make the additional appt for the 9th after you read:

Let's have her come in on the 9th. About a week after that we should have the report (or sooner). Then we can plan for the [REDACTED] if she still wants to proceed with that. As for additional fees, we will cap it at \$1000 as agreed before. We had to do a few additional test since we may need to rely more on attentional issues rather than Dyslexia. I will explain more once I have the report. We are trying to find the best approach [REDACTED]

[REDACTED]

We can discuss by phone next week if needed.

The cost for the [REDACTED] is \$2500.
However, these tests are not necessary for her school accommodation letter.

I will need to give her a few instructions as to how to prepare for the test. It is non intrusive and there is no radiation involved in these maps.
