Once registered, here's how it works: We will first attempt to call you at your home and work numbers listed in your profile. If these are incorrect, or if you can give us additional back-up number(s), please call 1-800-872-6467 Ext. 1150 immediately.

As a further backup, please email us at [Bids@heritageartauctions.com](mailto:Bids@heritageartauctions.com) and provide an alternate number, including any pager numbers you would like us to use.

**Note:** While we will make every effort to call you during the auction, we cannot guarantee that we will be able to. Therefore, if you especially want any particular items, we recommend leaving proxy bids with us in advance in case we are unable to reach you for any reason. We will never reveal your maximum bid to any consignor or bidder, and regardless of your maximum, you will only pay one increment above the next highest bid, or the reserve, if any.

**Note:** Your secret maximum bid has been outbid with a secret bid greater than your bid. Although you have been outbid on this lot, remember that on rare occasions the higher bid may fall through. In that event, your bid may still come out on top at the close of the auction. Should that occur, neither you nor Heritage is obligated to complete the sale for that amount, but we still may offer you the option of purchasing the item at or below your maximum bid.

**Is the bid Off-Increment?** It is possible for the current bid to be legitimately off-increment. This can occur for several reasons based on competing secret maximum bids.

**Auction Type [Signature®](#): !! Heritage Live®:** After Internet bidding closes, live bidding will take place through [www.HA.com/Live](http://www.HA.com/Live). Your secret maximum bid placed prior to the live event will compete against the live bids. To maximize your chances of winning, enter realistic secret maximum bids on our site. Many of our proxy bidders are successful at winning lots in these auctions, and usually below their secret maximum. You can also place last minute bids directly with us by e-mailing [Bid@HA.com](mailto:Bid@HA.com) or calling 1-866-835-3243. (Important note: Due to software and Internet latency, live bids may not register in time, so enter realistic proxy bids.)

**This lot is in: [Signature® Floor Session \(Live Floor, Live Phone, Mail, Fax, Internet, and Heritage Live\) \(lots 74001-74342\)](#)**

Internet bidding ends at 10:00PM CT the night before the floor session for each lot. During the live auction event, bidding in person is encouraged, and Heritage Live includes streaming audio and often video during the event.
