I live it everyday with this job! I want [REDACTED] and [REDACTED] to be together..it is WAY more fun and it is helpful for us ;) You just let me know what works...

As I look at calendar i can only make CO work two weeks...either July 14-18 or August 11-17...I am thinking it may end up being the August week...would you consider doing the Adventure Camp in lieu of Evans Camp the week of July 14-18? We don't need to decide right away because you know you could get into Evans camp anytime; however, that week for Ad Camp may be busier. I will work on Pat in the next few days. I am sorry and you can totally do whatever you want really! I will plan to book football camp for when you did as soon as I hear back from [REDACTED]. House looks great!
