Dear Mr. Groff,

On behalf of Lapis, The Spa at Fontainebleau, we are thrilled you have selected Fontainebleau as your upcoming resort destination.

Please allow me to introduce you to Lapis, a luxurious 40,000 square foot, two-story retreat designed with your well-being in mind. Indulge yourself in an oasis, overlooking the Atlantic Ocean, that embraces the beauty and energy of its setting. The staff at Lapis is dedicated to making your spa experience truly memorable, offering a combination of professional expertise and state-of-the-art treatments.

Start your immersion with Lapis Ritual Water Journeys – a circuit of mineral-enriched water therapies including mist, rain and steam, designed to promote renewal of vital energies and deep relaxation. Then energize and rejuvenate with our therapeutic massages, scrubs and facials, performed by professionals whose utmost goal is your total comfort.

The pampering continues at Lapis Hair & Nail Salon. An array of offerings for women and men include cut, color, style, wax, nail and make-up services, all in a beautiful environment.

To learn more about Lapis and to schedule services, visit [fontainebleau.com/spa](http://fontainebleau.com/spa), email [REDACTED] or call [REDACTED]
