Hi Larry...

-so do I keep the June 30th date in the calendar for the 24 month inspection of the plane? or do I take this out? (or does JE have no choice!?)
 -sounds like a midnight departure won't work for JE on April 4?
 -the charter on the 31st would be for [REDACTED] (shhhhh) departing Warsaw through Paris and on to St. Maarten...we may need a charter to get her back to St. Maarten on April 19th...not sure...

On Mar 24, 2014, at 4:37 PM, Lvjet <[REDACTED]> wrote:

I ment to include you both on this email to Jeffrey. It appears he was not please or surprised when I informed him of the 24 month inspection that is due in 90 days June 30th, so I sent Jeffrey the DUE list that I review every week, (sometimes).

***-also, JE wanted to depart ST THOMAS at midnight April 4th to arrive in Phoenix to clear customs.. flight time is 7+10min., that would have us land in PHX at 5am... however, Customs is open only, 830am to 4:30pm for hours of operation.

*** JE wants a small plane charter for March 31st, St Martaan to St Thomas, maybe they are arriving on airlines from EU?

SEE update to JE below,

thx
 Larry

 Subject: Re: updates

Jeffrey,
PHX Customs flight OK. April 4th ?
 Customs is not enforcing Overflight, as long as operator has obtained Overflight in the past, (as we have), we are allowed to fly into any AOE (Airport of Entry). with prior approval.
 Phoenix Customs hours of operation **Monday - Friday 8:30am - 4:30pm only**, no overtime according to officer on duty.
 Phoenix will approve overflight after they review passengers listed on EAPIS for this flight on April 4th and we must land between the hours of 8:30am and 4:30pm Monday - Friday.

OUTFLOW Valve:

Gulfstream Tech ops has to locate in their archives the original drawings for our GIV serial number, 1085, this has been our delay in getting an answer and or approval, whether Gulfstream will use other installation drawings or fabricate New ones for procedure to install new louvers..
 I have contacted Rusty Crammer our DU885 Sales Rep, to assist with pushing Gulfstream to give an answer regarding installing other style outflow valve louvers,

CHARTER St. Martaan to St Thomas March 31st, 2014

St Thomas Jet Center Charter has Twin Engine Piper Navajo Panther, (similar to our past Cessna 421).
 price **St. Martaan to St Thomas \$1,920.00 all fees and Handling included.**

GIV Due list below with dates..

Below is my due list for Gulfstream IV that will take me thru November 2014.. calendar items and inspections are sometimes hidden in these reports.. many items are complied with during routine Mx visits to Teterboro and Islip to keep the GIV operating as smooth as possible. In the future I will give a minimum of 12 month warning of impending inspections that will come due, so we can address Mx scheduling properly.
