Hi Lesley! I am sorry I missed your call earlier. I'm also sorry that you didn't receive specifics from us for the meeting earlier than now!

The meeting will be in Bill's private office in Carillon Point. Here is the address:

4110 Carillon Point
Kirkland, WA 98033

When he arrives, he can check in at the office on the 1st floor. From there, someone will escort him up to Bill's office upstairs.

I've also attached directions for you.

If you need anything at all (today or tomorrow) you have my number, [REDACTED]. I will be over at Microsoft in the morning, but you can also reach me on my cell if you need to [REDACTED].

As for seeing Paul's project, you can reach out to Paul's assistant, Marilyn Valentine, at the following address: [REDACTED]

Please let me know if I can do anything else for you today!

Lauren

Hello Lauren. Jeffrey requested I touch base with you to get the specifics of tomorrows meeting with Bill! Might you be able to pass along the details to me? Also, Jeffrey ran in to Paul Allen the other day and Paul had mentioned to Jeffrey he must go by to see his "mouse/brain project"...Jeffrey would very much like to take Paul up on this but has no contact information for him...Might you be able to provide? Jeffrey is hoping he could go after his meeting with Bill tomorrow...

Thanks!

Lesley
