ah ok...it states the "Brief Learning Disability Evaluation is not sufficient for those needing extra time on high stakes tests such as the GRE or LSAT". I just spoke to Dr. Thomas from the Brain Center...he says the evaluation for high stake tests is the 8 hour exam and it is daunting and I can't just call up and make an appt for next day...

The people I contacted yesterday (Center for Cognitive Assessment) had a cancellation and said they could take [REDACTED] for the full evaluation tomorrow (test is from 9am-5pm)...\$4250.00 (could be more) I called and had to leave a message. Web site below.

what we need to know if they can issue a certification enabling her to get extra time on her test.

I found a Dyslexia Testing center, The Brain Clinic, that offers a "Brief Learning Disability" Exam..but it still says it takes 4-5 hours...cost is \$1000 (could be more if it takes [REDACTED] longer to finish the exam and depends on who is administering the exam)

I have left a message and asked if possible to send someone tomorrow...thing is, she is departing for airport at 4:30pm...we would have to get her in for test by 10am to be on the safe side. We would need to cancel her haircut.
