Dr. Bard will be in NY late this Friday and is asking if an apt would be available Fri-Mon morning. We have four apartments available (in case we need one for [REDACTED] and M over weekend as well) 10B, 11B, 11P, 11J.

Dr. Bard also says if you are in town he would be happy to come see you.

OK to let Dr. Bard stay in an apt March 21-24?
