#### TELEPHONE BIDDING:

Heritage offers phone bidding on this item. [Click here to register for phone bidding.](#)

Once registered, here's how it works: We will first attempt to call you at your home and work numbers listed in your profile. If these are incorrect, or if you can give us additional back-up number(s), please call 1-800-872-6467 Ext. 1150 immediately.

As a further backup, please email us at [Bids@heritageartauctions.com](mailto:Bids@heritageartauctions.com) and provide an alternate number, including any pager numbers you would like us to use.

**Note:** While we will make every effort to call you during the auction, we cannot guarantee that we will be able to. Therefore, if you especially want any particular items, we recommend leaving proxy bids with us in advance in case we are unable to reach you for any reason. We will never reveal your maximum bid to any consignor or bidder, and regardless of your maximum, you will only pay one increment above the next highest bid, or the reserve, if any.

#### Can I still be outbid?

You are currently the high bidder, but this does not guarantee that someone else may not outbid you before this auction closes. Our system will place bids on your behalf, using only as much of (but not more than) your secret maximum as is necessary to maintain your high bid position. If another bidder places a higher secret maximum than yours in Internet bidding, you will be notified via e-mail that you have been outbid. There are two ways to **monitor your bid...**

- Use [My Bids](#). You can easily reference every bid you have placed and monitor your bid status on every lot. You can also batch bid on every item with a single click from the MyBids page.
- If you are outbid in Internet bidding, we will e-mail you an outbid notice. You will not receive an outbid notice if you are outbid during the course of a Live auction session.

**Auction Type [Signature@](#):** !! **Heritage Live@:** After Internet bidding closes, live bidding will take place through [www.HA.com/Live](http://www.HA.com/Live). Your secret maximum bid placed prior to the live event will compete against the live bids. To maximize your chances of winning, enter realistic secret maximum bids on our site. Many of our proxy bidders are successful at winning lots in these auctions, and usually below their secret maximum. You can also place last minute bids directly with us by e-mailing [Bid@HA.com](mailto:Bid@HA.com) or calling 1-866-835-3243. (Important note: Due to software and Internet latency, live bids may not register in time, so enter realistic proxy bids.)

**This lot is in: [Signature@ Floor Session \(Live Floor, Live Phone, Mail, Fax, Internet, and Heritage Live\)](#) (lots 74001-74342)**

Internet bidding ends at 10:00PM CT the night before the floor session for each lot. During the live auction event, bidding in person is encouraged, and Heritage Live includes streaming audio and often video during the event.
