Jeffrey,

This campaign is heating up and quickly becoming one of the most competitive races in the country. That's not surprising but **[if you haven't gotten involved in the campaign yet, now is when we need your help.](#)**

[We're going to need your support to re-elect Charlie Rangel, the Lion of Lenox Avenue. Will you donate today to return him to Congress?](#)

 [Lion of Harlem](#)

[The Lion of Harlem is fighting for us.](#)

Anyone familiar with Charlie Rangel's career knows how he's delivered. He sponsored the Affordable Care Act that has enabled millions of Americans to afford health insurance. He led the fight to expand the Earned Income Tax Credit to help workers escape poverty. He's leading the push to raise the minimum wage so that working people are not trapped in poverty. Charlie Rangel is an icon to so many Americans.

Here in New York City, we feel his impact even more. Thanks to Congressman Rangel's work, Upper Manhattan received more than \$300 million thanks to the Empowerment Zone. He's helped create jobs in Harlem, Washington Heights, and the Bronx and just last week, spoke with some of our largest employers to encourage them to hire the long-term unemployed. Thousands of contract workers at New York City airports earn more thanks to his advocacy.

[Thank Charlie Rangel for his leadership and keep him fighting for us. Donate today!](#)

If we don't re-elect him, then Charlie Rangel won't be able to keep standing up for us. With the election just over a hundred days away, we need to step up our efforts to keep Charlie Rangel representing us in Congress.

[I'll donate so Charlie can keep fighting for us!](#)

Thank you,

Rangel for Congress
