Sure Julie can come and sit in my office while Larry is here...and just let me know on the ride...we will be ready if need be.

You're fantastic! Thank you! I think Julie might be traveling with Larry on Friday. Will that be OK? Also... Jojo might not have to drive him. The speaking engagement will have a driver for him coming from airport. I'll know by the end of today though.

I think we can make this work then! JE is in NY ...have him come from the airport to JE's if that is convenient...I'm sure we could have Jojo, Jeffrey's driver get him on to Bryant Park as well if you like for the 6pm speaking commitment ...

Hi again...Jeffrey is in town on March 13th and asking if possible to see Larry this day...does meeting around 4pm still viable?

Lesley:

Larry is in NYC for a speaking event on the 13<sup>th</sup>, he could fly down earlier in the day on the 13<sup>th</sup> after class on a 2p flight and meet around 4p before his 6p speaking commitment. Also, it appears that they agreed to go to Kazakhstan March 19<sup>th</sup> departing late in the day maybe for a few days.

Let me know what transpires because Larry is in NYC on the 19<sup>th</sup> doing an event at the 92<sup>nd</sup> St. Y and could depart after the event about 9p.
