Have you seen what's going on with Congressman Charlie Rangel's campaign lately, Jeffrey?

We're on a roll and we're going to win this election. Just this last week, *The Daily News* profiled how Charlie Rangel is gearing up for the toughest fight of his career. American Airlines agreed to increase wages for contract workers. The Broadway Democrats endorsed Congressman Rangel for re-election, and he stood up to protect food stamps from Republican cuts.

But if you aren't following us on [Facebook](#) and [Twitter](#), you're missing out.

Congressman Rangel continues to be a progressive champion and will keep fighting for our values every single day. He's standing up for hardworking men and women who are struggling to get by. He's not done pushing for living wages and immigration reform. He's still fighting for more affordable housing, delivering health care reform, and fighting up for our veterans. That's what motivated him to run for Congress and drives him to keep fighting for us in Congress.

He's raising hell for us but it's important that we stand by his side in this upcoming campaign. Will you stand by Congressman Charlie Rangel by [liking our page on Facebook](#) and [following us on Twitter](#)?
