Sorry I have not reached out via telephone as I am out of town until Wednesday evening. Initial feedback I received from skype was that Katy was very nice. Concern was that she was a bit to tough and aggressive. Comments on mike were that he had great experience and was very pleasant. Concern was about procedures and possible need to do work if required vs delegating.

Few other comments on desire for candidates: military background / Asian I believe principal is looking for very polite and formal candidates yet if necessary to roll up sleeves and do work.

I have not yet received feedback on other two candidates. Keith I will touch base with you on Thursday to review in more detail. Thank you.

Rich

Mr. Kahn,

As it happens, Mike Fiore is going to be in the city this late afternoon and offered to meet in person if it was convenient for you as well. He can also make himself available by Skype today most times after 3:30PM or tomorrow morning. Katy Hine is available via Skype today between 4:30PM-5:30PM or tomorrow between 10:00AM-1:00PM.

Please let me know how you would like to proceed.
