[REDACTED] are hoping they could set up a time to speak with you tomorrow together...they are asking if you will be coming to Boston anytime soon (and if so they would love to see you) and secondly, Marvin is to be presented with a substantial monetary award and they would like to speak with you about what to do. [REDACTED] said it is over a million :)

Would you like to set up a time to speak with them tomorrow?

(reminder: [REDACTED] has been ill)
